CUCUMBER CANNELLONI
WITH CRAB,
COINTREAU® MAYONNAISE

1. CRAB

- 1 crab
- 1 carrot
- 1 white of leek
- 1 onion
- Thyme
- Laurel
- 1 celery coast
- 2 liters of water

Make a vegetable broth and cook for 20 minutes. Immerse the live crabs in the broth and cook them for 12 minutes. Cool the crabs and shell them. Keep refrigerated.

2. COINTREAU® MAYONNAISE

- 800 g grapeseed oil
- 120 g sushi su
- 300 g egg white
- 12 g salt
- Cointreau® 60%

In a measuring glass, pour the egg white, sushi su, salt and oil, emulsify everything. Add the Cointreau® to the whipped mayonnaise, i.e. 70 g of Cointreau® to 300 g of mayonnaise.

3. CUCUMBER CANNELLONI

- 1 cucumber

Peel the cucumber. Make strips. Season the crab pulp with Cointreau® mayonnaise and grated fresh ginger. Form small

cannelloni stuffed with crab with half a length of cucumber. Refrigerate after briefly soaking in Cointreau®.

4. CUCUMBER AND GREEN APPLE
WATER

- 1 000 g green apples
- 1 000 g cucumber

in plate and let set. Mix everything at high speed and reserve in pipette.

8. SAMPHIRE

100 g samphire

Remove the samphire strands. Cut a fine brunoise and set aside.

9. PRESENTATION

Place in the bottom of the plate the 6 cannelloni of crab.

With a pastry bag, place on each a little Isigny cream.

Put on the samphire brunoise.

Poach the green apple jelly.

Cut green apple discs using a mandolin and cookie cutter. Form a corolla of discs on the cannelloni.

Between each cylinder, decorate with a fennel shoot.

Pour the apple and cucumber water into the bottom of the plate.

Make oil droplets, formed in cucumber and green apple water.

Cocktail: EPICURE

1. COCKTAIL

3 cl Cointreau® 40%

1 cl Pisco Italia

4.5 cl kiwi juice

1 cl lime juice

1 cl sugar syrup

Put all the ingredients in a shaker, mix with a spoon. Pour into a short drink filled with ice cubes.

2. FOAM

8 cl kiwi juice

1 cl egg white

Put the ingredients in a shaker and emulsify with a small blender for milk foam, until you get a nice foam.

Delicately, place the foam on the surface of the short drink.

3. DECOR

Samphire powder is obtained by dehydration, placed for 8 hours at 65°C.

Place the samphire powder in one stroke on the foam.
